# JANUARY 6-8, 2012

**YOU ARE INVITED**

This is a special weekend mission experience for “*Gethsemane*” to minister and expand our vision of another culture. All are invited to participate: youth, singles, couples, those with and without children, from the very young to the not so young...anyone willing to roll up their sleeves and go to work. Youth under 18 are asked to have a parent or guardian along for the weekend experience.

This is a great opportunity to work, worship, eat, and share together. We desire to give glory to our **God**, and to keep our lives centered on **God**. You are invited to come share and experience how this connection will add meaning and purpose to **your** life.

The drive to **Eagle Pass** is approximately 4 hours. You may go down **Thursday** or during the day **Friday**. Saturday will be work periods doing Habitat style work, painting, cleaning, and carpentry at the church in Eagle Pass and assisting in their food pantry. We will find a way for your special skills to be put to use. Part of the group will do a modified Bible School experience in the afternoon with the children in the area. We will worship in Spanish Sunday morning. Be ready for some special fun this year!

We will return **Sunday** afternoon.
